

Working Group Interim Report

1	Title of Working Group	Nomenclature of medical fungi
2	Name(s) of Coordinator(s)	Sybren de Hoog, Michaela Lackner
3	Objectives	Promote consensus papers and stimulate decisions on fungal names
4	Achievements of the Working Group in last year (250 words)	Two general principle papers have been written for which consensus is being sought. After this a website will go online. A consensus paper on <i>Scedosporium</i> has been submitted, and one on dermatophytes is scheduled. Discussion sessions were organized at ISHAM Berlin 2012 and at the CBS Spring Symposium in Amsterdam 2013.
5	Is your Working Group going to continue for the next three years?	Yes.
