Meeting Goals

• Assemble the world’s leading clinicians and scientists to advance the scientific and medical research agenda in Aspergillus and aspergillosis.
• Present the very latest advances and thoughts on aspergillosis from speakers who are actively advancing the field with new discoveries.
• Engender collaborative relationships amongst clinicians, scientists, as well as industry to further advance the field.

Who Should Attend

Selected Program Topics
Epidemiology and outcomes of invasive aspergillosis
Aspergillus interactions in the lung
Immunization against Aspergillus
Aspergillus and asthma
New antifungal drugs and targets
Clinical risk factors for aspergillosis
Diagnosing pulmonary aspergillosis
Azole Resistance and in vitro antifungal testing
New diagnostic strategies
Virulence factors elucidated in Aspergillus pathogenesis
Alternative pathogenesis approaches
Pharmacology and drug interactions with antifungals
Environmental exposures to Aspergillus
Immunology and immunotherapy against Aspergillus
Aspergillus in transplant and leukemia patients
How common is aspergillosis?
Combination antifungal therapy

Chairmen
David W. Denning, MD / University of Manchester, UK
William J. Steinbach, MD / Duke University, USA
David A. Stevens, MD / Stanford University, USA

Scientific Committee
S. Arun Balajee, PhD / Centers for Disease Control and Prevention, USA
John E. Bennett, MD / National Institute of Allergy and Infectious Diseases, USA
Emilio Bouza, MD / University of Madrid, Spain
Karl F. Clemens, PhD / Stanford University, USA
Oliver A. Comely, MD / Virmun der Universität zu Köln, Germany
Katsuhiro Kamei, MD, PhD / Chiba University, Japan
Cornelia Lass-Flori, PhD / Immunoculture Medical University, Austria
Kieran A. Mart, MD / Johns Hopkins University, USA
Richard B. Moss, MD / Stanford University, USA
Nir Ohayon, PhD / Weizmann Institute of Science, Israel
Livio Pagano, MD / Universa Cattolica del Sacro Cuore, Italy
David S. Perl, PhD / UMDNJ - New Jersey Medical School, USA
Malcolm Richardson, PhD / University of Helsinki, Finland
Lugina Romani, MD, PhD / University of Perugia, Italy
Brahm H. Segal, MD / Rosewell Park Cancer Institute, USA
Peter A. Warn, PhD / University of Manchester, UK

Accreditation
CPD/CME will be applied for through the UK Royal Collage of Physicians.

Registration Questions
UCSD School of Medicine Continuing Medical Education
9500 Gilman Drive, MC2617
La Jolla, California 92037-0617
Tel-Free: (888) 229-4263
Phone: (858) 534-9942
Fax: (858) 534-7672
Email: ocme@ucsd.edu
Website: http://cme.ucsd.edu
For registration information visit www.AAA2010.org

Scholarships Deadline: October 1, 2009
We will again offer scholarships to individuals requiring financial assistance, with preference given to those who are training and/or abstract submitters. Applicants from developing countries are also favored.

Conference Location
Sheraton Roma Hotel
Viale Del Passetaggio, 100 · Rome 00144 · Italy
Phone: (39)(06) 54321 · Fax: (39)(06) 5432699
In the heart of Rome’s business center, the Sheraton Roma Hotel is a great choice when visiting the capital city. Surrounded by the lush greenery of the EUR district, it’s located between the historical city center and Fiumicino/Leonardo Da Vinci Airport. Rome is more than the capital of Italy, it’s also the capital of the Italian art of living “la dolce vita”.
For additional hotel information, visit the conference website at www.AAA2010.org.

Abstract Submission Deadline: November 9, 2009
Online abstract submission will be accepted beginning May 2009.

4th ADVANCES AGAINST ASPERGILLOSIS
February 4-6, 2010
For more information and to register online, visit www.AAA2010.org
