"ISHAM must continue to attract younger member ensure a vital and effective future."

"The entire future of ISHAM is dependent on its young members - come and join us."

"I wish to see as many younger members as possible becoming fully engaged with ISHAM."

Your career depends on successful operation in international networks. ISHAM is the only world-wide umbrella organisation supporting medical mycology.

Please sign up today to become a member. You will be able to participate in the ISHAM congress in Tokyo, May 2009, at a reduced fee. In addition, all people under 35 present at this congress will receive a free copy of "Descriptions of Medical Fungi", 2nd Edition, 2007, Eds Ellis, Davis, Alexiou, Handke & Bartley (value 100 USD).
